NO SCHOOL

WASC Success! Thank you for your prayers and support as we navigated a week of WASC Virtual Accreditation Visit! We learned a lot and look forward to the focus and direction this process provides our school.

FRIDAY HALF DAY!

Friday is Track and Field Day!! All of HIS will have a Half Day, dismissal will be at 12:00pm.

Bring a chair or blanket, a camera and your applause as you join us at the field for Friday's activities!

(If your HS student is taking an AP Test this semester, they will have practice exams instead, and will get their schedule later this week.)

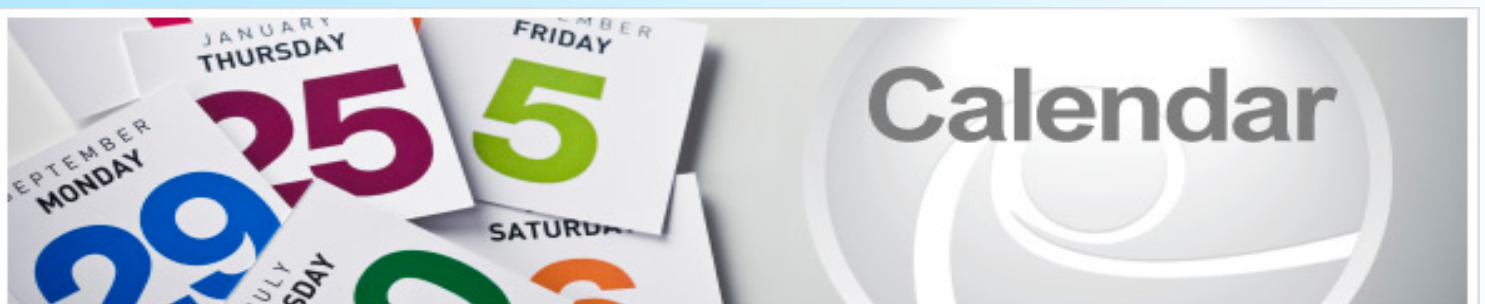

HILLCREST TRANSITIONS

A lot of prayer and planning are always going on behind the scenes here at Hillcrest School, and we are incredibly thankful for the provision and direction the Lord continues to provide HIS. Next year we'll see a variety of leadership changes at the school, and we wanted to make you aware.

Director Changes: Tim and Karen Cripe are heading to the USA for a year-long furlough in June. To fill the Director role, Kim Mills will step in from June through October, then we are looking forward to Dr. Dave Pattison joining HIS and being the Interim Director until Tim and Karen return. Dr. Pattison and his wife, Jane, were at HIS previously and look forward to serving here once again in this role. (Tim and Karen plan to return in Summer of 2022.)

Principal Changes: Kim and Kevin Mills will be going on furlough from late November through July 2022. In order to fill this role, we are reorganizing into 2-3 Principal jobs. Leanna Doran is excited for a new challenge in being the Elementary HIS Principal. Valerie Johnson and Jed Appell are going to be working together filling the MS and HS Principal roles. The Appells are finishing up support raising and need to get some more things in order before this is a "sure thing," so we are working on several possibilities for how their roles will be organized.

Through all of the changes and challenges, we can rest in the security that the Lord has a plan and continues to provide for us at Hillcrest School. We are HIS.

For the 2021-2022 School Calendar, please check out the Sycamore app or click [here](#).

We are busy making plans for next semester! **8th grade Parent Orientation on May 4th** is a way to prepare parents for the new changes for your students entering High School. All students in Grade 8-11 will be getting class sign-up forms during the first week of May.
