As we welcome back a couple of returning families, I am reminded of God's faithful timing and provision. His timing is not late or off, and He has not forgotten our needs. So on the days that you find it hard to plan for tomorrow and frustrating to know the next steps for today, remember that the Lord makes plans well in advance for us. "For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." (Ephesians 2:10) So we can rely on His planning... even when our planning seems up in the air.

In their hearts humans plan their course, but the Lord establishes their steps.
